ORDER

17.11.2023

MA 4775/2023

Counter affidavit has been filed. There being delay in filing the same, this application has been filed seeking condonation of delay. Delay is condoned. Counter affidavit is taken on record. MA stands disposed of.

OA 2439/2022

2. Invoking the jurisdiction of this Tribunal; under Section 14 of the Armed Forces Tribunal Act, 2007, the applicant has filed this application and the reliefs claimed in Para 8 read as under:

- "a. To direct the respondents to bring all documents on record with advance copy to the applicant.*
- b. To bring disability pension to the applicant from the date of release (10.01.2022) w.e.f. 11.01.2022.*
- c) To direct the respondents to grant broad banding of the disability pension w.e.f. 11.01.2022..*

d) *To direct the respondents to issue a corrigendum PPO pertaining to the disability pension and broad banding of the disability pension of the applicant.*

e) *To direct the respondents to pay arrears of disability pension and broad banded disability pension along with interest @ 8% w.e.f. 11.01.2022.*

f) *To grant such other relief appropriate to the facts and circumstances of the case as deemed fit and proper."*

3. Even though the applicant is found to be suffering from two ailments, namely, **Type-II Diabetes Mellitus** and **Dyslipidemia**, the composite assessment of which has been made at **24%**, during the course of hearing today learned counsel for the applicant made a fair statement that for the present in this application, the applicant would only be praying for disability pension pertaining to one ailment, i.e., **Type-II Diabetes Mellitus** and he gives up his claim for the other ailment.

4. The applicant submits that for the purpose of **Type-II Diabetes Mellitus**, the disability has been assessed @ **20%** as is evident from the medical records.

5. Keeping in view the consistent stand taken by this Tribunal based on the law laid down by the Hon'ble Supreme Court in the case of **Dharamvir Singh v. Union of India and others** (2013) 7 SCC 316 that Primary Hypertension may arise even in a peace area due to stress and strain of service, we see no reason not to allow the prayer of the applicant with regard to the disability **Type-II Diabetes Mellitus**, which has been assessed by the competent Medical Board @ **20%**.

6. Accordingly, we allow this application holding that the applicant is entitled to disability element of pension @ 20% rounded off to 50% with effect from the date of his discharge. All other claims stand rejected.

7. The respondents are directed to grant disability element of pension to the applicant @ 20% for life which be rounded off to 50% for life from the date of retirement in terms of the judicial pronouncement of the Hon'ble Supreme Court in the case of Union of India Vs. Ram Avtar (Civil Appeal No. 418/2012) decided on 10.12.2014. However, the arrears will be restricted to three years from the date of filing of this OA or the date of applicant's retirement/discharge, whichever is lesser, in keeping with the law laid down in the case of *Union of India and others Vs. Tarsem Singh* [2008 (8)SCC 649].

8. Accordingly, the respondents are directed to calculate, sanction and issue necessary PPO to the applicant within four months from the date of receipt of copy of this order, failing which, the applicant shall be entitled to interest @ 6% per annum till the date of payment. λ

9. No order as to costs.
